

This is to confirm that

Mr/Ms .....

born on .....

resident at .....

is studying the degree programme

.....

at Julius-Maximilians-Universität Würzburg and is enrolled in his/her ..... subject semester.

In accordance with the applicable examination regulations (ASPO, FSB, etc.)

.....,

completion of a/an ..... is  optional  mandatory.

Please note:

- When completing a placement at an institution other than the University of Würzburg (whether in Germany or abroad), students do not have accident insurance through the University.
- Students do not have health insurance through the University of Würzburg.
- Students do not have liability insurance through the University of Würzburg, i.e. have to take out private liability insurance to cover any damage to people or property that may occur.

Students are responsible for arranging their own health, accident, and private liability insurance.

The English text in this document only serves the purpose of providing information on the contents of the corresponding German text. Only the German text shall be legally binding.

The University of Würzburg will not accept liability for any loss or damage of whatsoever nature arising in connection with the student's stay abroad.

If a non-disclosure agreement is required, the placement employer will have to enter into such agreement directly with the student.
