

Dr. Martin Saska

1. Who was your supervising tutor when you visited the University of Würzburg?

A girl from Czech Republic

2. We would be happy to get to know something about your academic/ professional career and it would be nice if you could describe your professional work in a few words.

Dr. Martin Saska is a research fellow at Czech Technical University in Prague since 2009. He received Ph.D. at the University of Wuerzburg, Germany, within the PhD program of Elite Network of Bavaria. His interests include cooperation and control of multi-robot systems, formations and swarms of flying robots.

3. Do you have any experience regarding a scientific or economic exchange between India and the European Union?

I am in contact with few India PhD students, but nothing more.
