

How to get to the dorm **Friedenstraße** (Internationales Haus) from main station in Würzburg

Once you leave the main train station in Würzburg, turn to the right towards the bus station.

The bus station has several stops. You have to go to the second or third platform and look for bus number 14, 114, 214 or 29. You can take any of them. You can buy your bus ticket from the driver saying you want to go to *Rennweg*. You have to pay for your bus ticket in cash, but not with high bills (for example, 50 euros would be too much).

Get on the bus and stay there until *Rennweg* Bus stop (press the red button to make the bus stop).

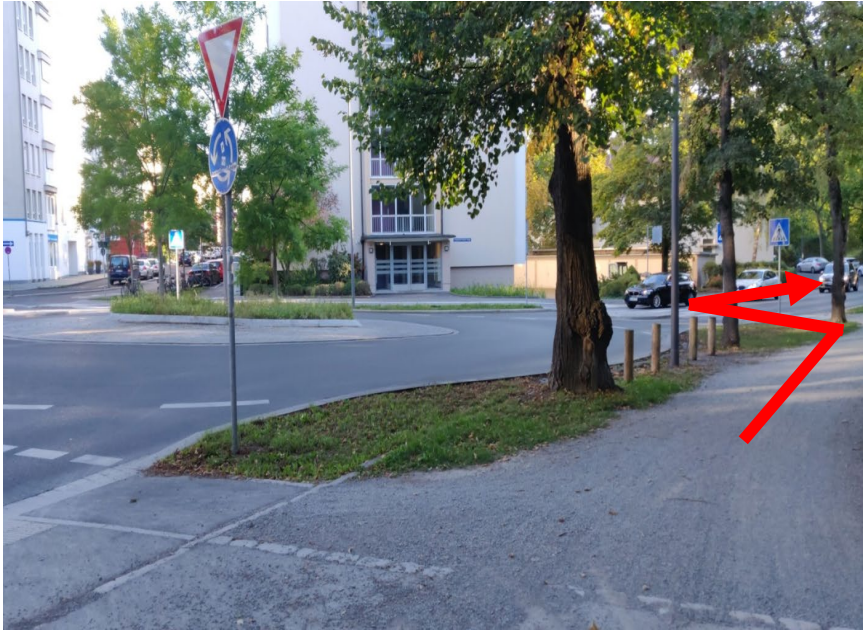

When you get down from the Bus, walk straight towards the traffic lights and keep left from the Park.

Just before the traffic light turn to the right and continue walking straight next to the Park.

Keep walking straight forward.

You should cross the road at the pedestrian crossing, turning to the right and keep walking straight ahead.

Then keep walking straight forward.

At the end of the street you will see on the right side a tall building, which is the Dormitory.

The entrance is located on the left side of the building.
