INTERNATIONAL FUNDING CALLS & NEWS – September 2020

If you are planning to apply for international funding or if you need further information, please feel free to contact the SFT for support. Email: anna.rosenfeldt@uni-wuerzburg.de.

In this Issue:

European Green Deal Call to be launched on 18 September

This Friday the European Commission will open the Green Deal Call. It will cover eleven call areas for research projects contributing to the overall goal of making Europe climate-neutral by 2050. The expected deadline for the call is 26 January 2021.

Virtual European Research and Innovation Days 2020

This is the European Commission's annual flagship event bringing together policy makers, researchers, entrepreneurs and citizens to connect and find potential project partners. The programme comprises a policy conference with several panel sessions on EU funding programmes (including the upcoming Green Deal and Horizon Europe), and the "Science is wonderful" exhibition showcasing successful EU research projects.

Date: **22 - 24 September 2020**

Register for free at: https://research-innovation-days.ec.europa.eu/

Nationale Kontaktstelle Bioökonomie: Online Seminar on European Green Deal Call

Germany's National Contact Point Bio-Economy informs about the funding opportunities in the European Green Deal Call (with a focus on bio-economy). This seminar will be held in German.

Date: **7 October 2020, 10:00-10:45**

Register for free at: https://www.nks-lebenswissenschaften.de/de/3181.php

Virtual Information Day and Brokerage Event: Social Sciences & Humanities in the Green Deal Call

Net4Society (the international network for social sciences and humanities (SSH) in the European research funding programme Horizon 2020) organises this event for SSH researchers interested in the Green Deal Call.

Date: **27 October 2020**
