

3. GoTed Week: 8-11 MAY 2023

DIVERSITY

IS AN OPPORTUNITY!

FINDING COMMON GROUND, CELEBRATING DIFFERENCES AND LEARNING FROM EACH OTHER

The GoTed Week is the summer school of the project Global Teacher Education (GoTed). It is hosted by the Professional School of Education (PSE), the central institution for teacher education of the University of Würzburg. Every year, we invite lecturers, researchers, students, and teachers to discuss topics of teacher education with guests from our international partner universities.

We are looking forward to exploring the beauty and chances of diversity at the 3. GoTed Week!

All talks take place at:
Zentrales Hörsaal- und Seminargebäude (Z6)
Campus Hubland Süd, 97074 Würzburg
