

## DIFFERENT PERSPECTIVES

International speakers will identify characteristics of an ideal school and take a stand on them based on their professional knowledge and educational traditions.

## INTERNATIONAL MARKET

Whether you dream of studying abroad or simply wish to expand your worldview, embark on a global journey at the “international market” - where students share their insights into international universities, schools, and cultures based on their firsthand experiences.

## WORLD CAFÉ

Exchange ideas with fellow attendees to expand your research network, establish international partnerships or have a closer look at topics such as “methodologies in teacher education” within a global community.

## SCHOOL EXCURSION

Learn about a unique educational concept (limited places).
