Application for Participation and Scholarship

There is a participation fee for all participants of 275 €. Due to the generous financial support of the DAAD (German Academic Exchange Service) different scholarships can be given:

- 5 participants from Guatemala will get 1.850 € each for travel expenses (these scholars have to pay for accommodation and food themselves which will be approx. 500 €)
- 15 participants from Poland or Czech Republic will get 200 € each for travel expenses plus free accommodation, breakfast and lunch.

There is also the possibility to get a partial sponsorship for another 20 students, who unfortunately cannot be granted a scholarship or who are from other countries than listed above. We can offer to them free accommodation, breakfast and lunch.
