

Higher Education Learning Agreement for Studies

Academic Year 2018 /2019

Annex for exceptions to Table B/B2

<i>Courses that will not be pre-recognised by this document by the University of Würzburg. Please note that after coming back to Würzburg courses and modules could still be recognized. According to the internal rules of the University recognition is guaranteed for all courses without significant difference to courses/modules in Würzburg after the students' mobility (e.g. in ASPO and LASPO). (to be filled only by the sending faculty/department)</i>			
Annex for exceptions to Table B/B2	Nr.	Component title	Reason why the course component will not be recognized by the faculty ¹

Commitment	Date	Signature
Responsible Person at the University of Würzburg		

¹ The main reason should be the lack of information about a course or a huge difference in the learning outcomes of the modules. It is not allowed to deny courses without a proper reason or only because of differences in details!
