

How to get to the dorm **Straubmühlweg** from the main station in Würzburg

When you exit the train station, turn left and follow the tram tracks.

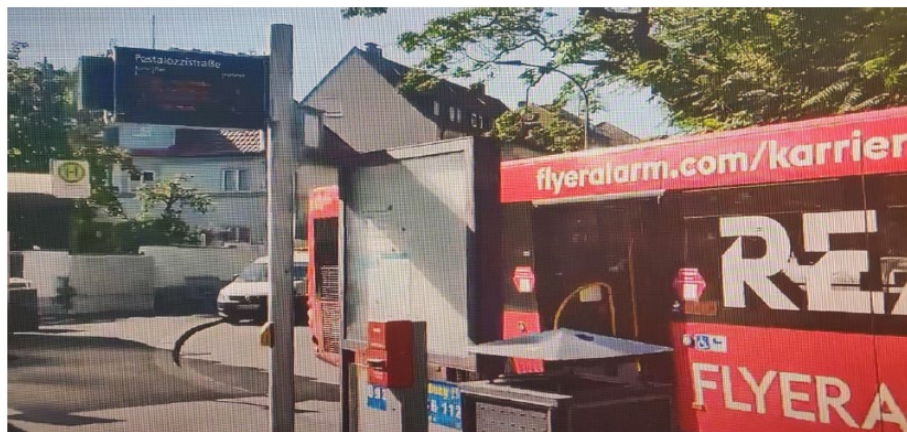

You'll reach the tram stop "Hauptbahnhof Ost". From there you can take either tram line 1 or 5, direction "Grombühl". You can see on the screen how long you have to wait until each tram arrives.

You have to buy a single ticket from the machine.

Get on the tram and stay on it until the very last stop, „Pestalozzistraße“. There you will have to change onto bus 24 (which is usually waiting there). You'll get off the bus at the stop "Straubmühlweg". (You can use the red buttons on the bus to request the stop.)

When you get off the bus, walk past the stop and uphill, following the road on the right. You'll soon see the dorm.

You'll find the Hausmeister (who'll give you the keys to your room) in House 11 C, on the left side right before the small central building. His office is on the ground floor.

Inside the building, cross the first door to the right, walk down the corridor, and his office will be the last door on the left.
