

We would be happy to get to know something about your academic career and it would be nice if you could describe your academic work in a few words.

I had a doctoral degree in 1987, an associate professor degree in 1999 and a professor degree in 2008.

How do you see yourself in your role as a citizen of the EU?

I am not yet a citizen of European, but in case of participation of Turkey into European Union I believe that I am useful as Germanist relations between Europe and Turkey.

What is your personal opinion regarding the most important challenges and reasons regarding a participation in the European Union as a nation?

Personally, I support a participation of Turkey into European Union, but prolongation of the process reduces in the desperate as a Turkish citizen.

What do you think about the importance of Alumni in terms of the cultural, academic and economical exchange?

Personally, I became a doctoral degree in Germany, therefore this education in Germany provided culturally a good hardware. I think that every member of Almuni is a carrier of culture.
