EVENTS

ERC Grants Event for JMU Researchers on 19 October
The SFT will be hosting this online information event for JMU researchers who are considering applying for an European Research Council (ERC) Grant and who would like to find out more about the programme. Participants will be introduced to the grants scheme by Dominik Maas (KoWi) and will get first-hand insights into the proposal writing and evaluation process by JMU’s successful ERC grantee Prof. Dr. Lars Doelken and former ERC panel member Prof. Dr. Caroline Kisker. There will also be the opportunity to ask questions to the speakers.
Date & Time: 19 October 2021, 12:15-13:50 (Zoom)
This event is part of a series of JMU funding events this autumn. For further information and online registration, please go to the Research Academy’s event website: https://go.uni-wue.de/fofoe21

EU FUNDING CALLS

**Erasmus Small-Scale Partnerships**
The Erasmus Small-Scale Partnership programme offers funding for cooperations in any field of vocational education and training, school education, adult education and youth. Partnerships must be transnational and involve at least two organisations from two countries. The programme aims to reach out to grassroots organisations, less experienced organisations and newcomers to the programme. It provides lump sum funding of either € 30,000 or € 60,000 for projects running 6 - 25 months.
**Deadline: 3 November 2021**
