Transcripts

Semester 1 transcripts are sent out in March. Full Year and Semester 2 transcripts are sent out in July. A digital version will be sent directly to the home university and student.

Finance

Exchange students will have their tuition fee waived. Fee-paying students can find information on tuition fees on the [Inbound website](#).

[Living expenses](#) vary depending on lifestyle choices. As a guide, students should budget around £1023 a month to cover expenses.

Full Year at all campuses: Students are guaranteed housing if they apply by 31st July.

Semester at all campuses: Students are not guaranteed housing. We recommend that they apply by 31st July and also research private housing. A list of privately-owned or managed houses can be found on the [Accommodation webpage](#).

Visa
