

Internship Market Entry/Sales at the German-Irish Chamber of Industry and Commerce

The German-Irish Chamber of Industry and Commerce operates in 130 locations across 90 countries, offering their expertise, networks, and services to both German and foreign companies. As part of their consultancy arm, known as "DEinternational," they assist companies in expanding their business activities abroad.

As an intern in the Marketing/Sales department of DEinternational, your responsibilities will include:

- Conducting Research
- Business Partner Research and PR
- Expanding Online Presence and Social Media Management
- Trade Missions Event Management
- Assisting in New Business Development

Requirements for the position:

- Strong organizational skills and the ability to handle multiple tasks
- Attention to detail
- Effective time management skills
- Self-motivated and proactive
- Team player mindset
- Fluent communication skills in both German and English (B2/C1)

The internship has a minimum duration of **4 months** (from 2024), and the starting date can be discussed individually. This must be a compulsory internship as part of your studies and applicants must be eligible for Erasmus funding.

Send your application to:

David Parkmann, Head of DE International
