Number and size of rooms: There are 5 rooms: 3 bedrooms on the 1st floor, each measuring 16-18 m² and 2 rooms forming a large living-dining area of 43 m² on the ground floor. Description: The bungalow features a well-balanced floor plan and a harmonious layout. On the ground floor, you enter a stone-tiled entrance hall with a separate guest WC and a cloakroom. This leads into a spacious living room with a small library. From here, you can access the terrace, where you can sit comfortably in warm weather. The dining room adjoining the living room, furnished with antiques, offers an exceptional ambience. Both rooms have English parquet flooring. The spacious fitted kitchen (with dishwasher) next door can also be accessed from the entrance hall, which is practical for stowing away shopping. In the basement, there is additional storage space for supplies and a utility room with a washing machine and tumble dryer. The bright rooms on the upper floor have been freshly renovated; the bathroom features a bath and shower. At the front and rear of the house, gardens featuring unusual trees (ginkgo, mulberry, blue fir, fig, as well as apple and mirabelle plum) invite you to relax and also offer opportunities for gardening.

Features: The house is fully furnished with solid furnishings, partly with antiques and modern art. A fully equipped household is available. There is a working elevator from the basement to the 1st floor for people with mobility impairments (it would need to be serviced again before use).
