Notes:

1. Courses at different levels cannot be taken at the same time.
2. In order to obtain a B2 certificate, at least 4 semester hours at level B2.2 must be proven (via in-classroom or vhb courses).
3. If you have been placed in B2.2, then you need to take part in at least 4 semester hours of in-classroom courses at B2.2 level and pass with a minimum of 85%. If you were a borderline C1 candidate and received 'Grenzfall' on the placement test, one course at the B2.2 level is sufficient.
