

UNIVERSITY
OF LODZ

About the city of Łódź

- Capital of the region
- City rights in **1423**
- Poland's **3rd largest city by population**
- Poland's **4th largest city by area**
- **Before 1989** – textile and cinematography industry center
- **Today** – cultural, industrial and academic centre
- **Safe city**

Ex navicula navis – „From a boat grows a ship”

According to city's motto, small village have turned into a big European city. Thanks to numerous investments, streets, buildings, tenements and urban spaces have been renovated. Not only has this positively affected city's esthetics, but it has also increased the standard and quality of life in Łódź. A few of the biggest projects are: a construction of the new railway station - Łódź Fabryczna, W-Z route, Górna route and EC-1 complex. Łódź mastered combining classic architecture with modern design, which brings industrial image of Łódź into XXI century.

University of Lodz

- Foundation date: **1945**
- Number of Academic Staff: **2 227**
- Number of students: **28 000**
- Number of researchers: **2 214**
- Number of international students: **3 000**
- Number of international agreements: **over 270**
- Number of faculties: **13**
- **21** scientific disciplines
- Shown in QS World University Rankings

 Sportowiec Roku

 **International Students Office - University of Lodz** added 4 new photos to the album: "Gość na Gwiazdkę" - UL's Christmas action. December 26, 2016 · 🌐

Recently, the 1st edition of the "Gość na Gwiazdkę" (Christmas Guest) took place in the houses of UL staff. The idea was to invite foreign students (who stay for Christmas in Lodz) to a celebrate this special time with Polish families. As you can see from the photos, each Christmas Dinner was different, but they shared the same happiness 😊 Check the article: <http://www.dzienniklodzki.pl/.../boze-narodzenie-2016-zapros.../>

International Cook Book

Yuriko Tatiana Cornejo Poma

Bolivia

The Wathia is a culinary practice of pre-Hispanic times, which is related to the potato harvest stage and is prepared on holidays. This meal consists of making the food cooked in a pit lodged in the ground.

WATHIA

(the word comes from Aymara language)

How to cook the dish

1. Dig a well about one meter deep, at the base place firewood, then place flat stones on top, plus charcoal and let warm
2. Prepare chicken and pork with pepper, cumin, aji ground yellow powder and salt
3. When the stones are red, disperse them around the hole
4. All the meat is wrapped in sheets of tinned paper that are placed on top of some hot stones
5. Put the food in layers: all the meat, potatoes, banana for cooking and oca at the end
6. On top of the food other hot stones and these in turn are covered with earth and left for **2 hours**
7. Prepare the salad with tomato, lettuce and onion
8. After two hours unpack carefully and ready to eat

Ingredients

- 1 Chicken
- 4 kg pork
- 30 potatoes
- 10 sweet potatoes
- 2 kg ocas
- 10 bananas for cooking
- 3 lettuce
- 2 kg tomatoes
- 1 kg onions

Han Su

China

There is a very old and traditional 'Spring Festival'. It is held in January or February each year and is the most important festival in China. Spring festival is similar to Christmas. The history of it has 4,000 years. It is spent on celebration with family. According to the legend, in the ancient times, there was a kind of monsters named 'Nian', which scared people very much. The monster appeared in a particular day in spring. So at that day, people rarely went outside and spent time with a family talking and eating together.

During Spring Festival Chinese People eat traditional dishes like: dumplings, braised fish in a brown sauce and spring pancakes.

CHŪNBĪNG (春饼)

Spring pancakes

How to cook the dish

1. Put hot water into flour, mix them with little salt (3 g), until they turn into a dough
2. Put the dough into a bowl, waiting for **30 minutes**
3. At the same time, cut cucumber, green Chinese onion and celery into small pieces
4. Beat eggs into a bowl then make scrambled eggs with salt, Chinese green onion and chili
5. Boil the celery with water
6. Cut the dough into many small pieces. Then press it and put little oil on each small dough
7. Roll out each small dough into thin slices, and put each one slices on another slices
8. Next, use pan to fry each pancake, each pancake should be fried for **1-2 minutes**.
9. When the pancake is well down, separate that two pancakes
10. At last, put cucumber, celery, fried eggs on the pancake, and roll them

Ingredients

- 250 g flour
- 150 ml hot water
- 1 cucumber
- 2 celery
- 3 eggs
- 2 potatoes
- 15 ml oil
- 1 green Chinese onion
- chili sauce 10 g
- starch 10 g
- soy sauce 6 ml
- salt 10 g
- chili 5 g
