

# Tutorial: Online-Enrollment

1) This tutorial will show you how to enrol via the WueStudy portal.

To be able to enrol, you will have to register to the portal. We have another tutorial that shows you how that works.

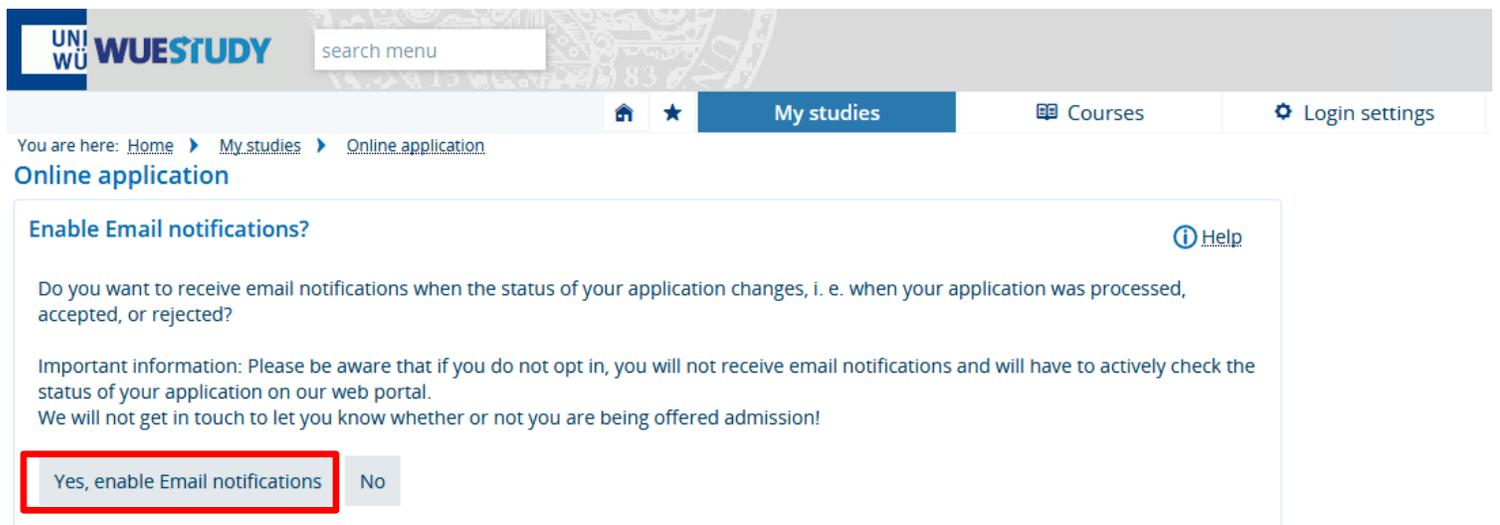

2) Start out by logging in to WueStudy (user name: small s and six digits) in the login area (top right) in WueStudy.

Then click 'Start Application'.

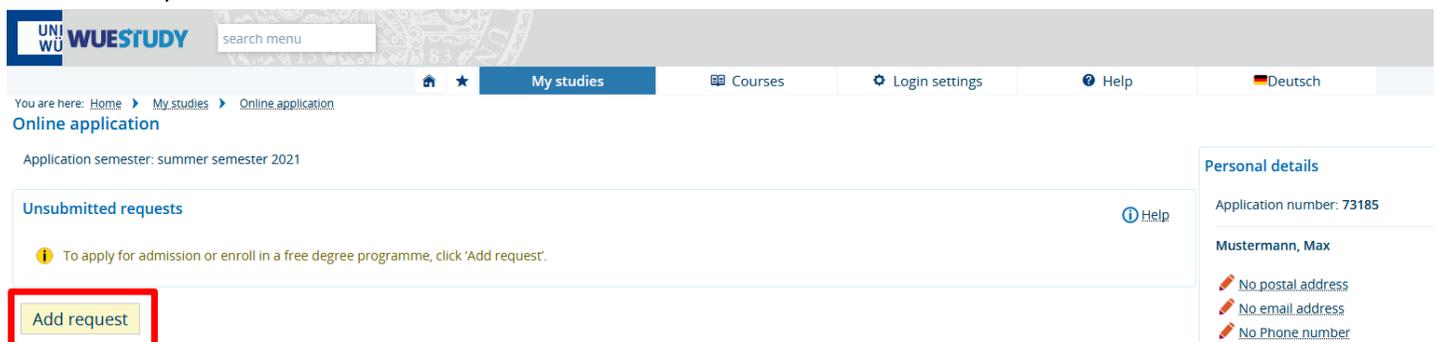

3) Please confirm that you want to receive email notifications when the status of your application changes.

To do so, click 'Yes, enable email notifications'.

Click 'Add request'.

#### 4) Select the degree programme, subject and semester of your choice.

Here are a few things that you need to know:

- The year in brackets after the subject indicates the examination regulations version. If you want to be enrolled into the first subject semester, select the most recent version.
- Some degree programmes comprise more than one subject. If that is the case, you will have to select the same subject semester for each of the subjects.

After you have made your selections, click 'Continue'.

Please note that you will only be allowed to take up or continue studies in the selected degree programme if you have not lost the respective entitlement (Studienanspruch). According to Section 46 No. 3 Bayerisches Hochschulgesetz (Bavarian Higher Education Act, BayHSchG), having lost your entitlement to take up or continue studies in the selected degree programme (Verlust des Studienanspruchs) is considered an enrolment impediment which will lead to a denial of enrolment. Failure to provide complete information may lead to a denial of enrolment. All data will be processed in accordance with the provisions laid down in the Bayerisches Datenschutzgesetz (Bavarian Data Protection Act, BayDSG) as amended from time to time.

**Complete, true and correct information**

I apply for enrolment on the basis of the information I provided above. I declare that the information I provided in this application for enrolment is complete, true and correct. I am aware that negligently or intentionally providing incorrect information is an administrative offence and – if detected after completion of the enrolment process – will lead to a cancellation of my enrolment.
